

ROBINSON PRIZE ENTRY FORM 2010

If applying for the Robinson Prize, please submit this form at the same time that you submit a paper or panel proposal to SHOT's Program Committee. It should be emailed as an attachment to shot.tacoma2010@gmail.com

If your paper is accepted by the Program Committee, then your name will be automatically forwarded to the Robinson Prize Committee. This procedure allows the Program and Robinson Prize Committees to better arrange the program schedule so that more judges can hear all of the Robinson presentations.

The deadline for all committee members to receive this material from you is 31 March 2010.
